"Hitchhiking to a New Life" follows a young woman named Darla who ends up on the side of the road in the desert, hitchhiking. Darla hopes someone will come along to pick her up, so she can continue her journey, even though she's not sure of her journey yet.

"Small Heart Spaces" is the story of Ari, a teenage boy who appears to be at his wits end thanks to his little brother, Lucas, until he finally gets a phone call from the girl of his dreams.

In "What's in the Box?", a mysterious package shows up on Charlotte's door on a bland, ordinary day. But the contents of the mysterious package prove to be more than what Charlotte expected and turns her ordinary day into something extraordinary.

"Easy Money" finds a chance meeting at a bar between Lynette and Darren. Lynette leaves quickly with more than just Darren's attention and heart.

"Art: Lost and Found" follows Celeste and John, a husband and wife team that buy an auctioned storage locker. What they find inside the locker, amidst dusty, old furniture is worth more than they bargained for.

"Lead Me One" is the tale of Lorelei and Vic. Two people that seem to be in love with each other yet can't seem to bring themselves to admit it because of their respective situations. They meet at a roadside motel room as will they or won't they weighs heavy on both their minds.
